K-BRO LINEN INCOME FUND
MANAGEMENT INFORMATION CIRCULAR

Dated as of May 15, 2006

This management information circular (the “**Information Circular**”) is furnished in connection with the solicitation by the trustees (the “**Trustees**”) of K-Bro Linen Income Fund (the “**Fund**”) of proxies to be used at the annual meeting (the “**Meeting**”) of unitholders (the “**Unitholders**”) of the Fund to be held on Tuesday, June 13, 2006 at the TSX Broadcast & Conference Centre, Gallery Room, The Exchange Tower, 130 King Street West, Toronto, commencing at 2:00 p.m. (Toronto time) and at all postponements or adjournments thereof, for the purposes set forth in the accompanying notice of meeting (the “**Notice of Meeting**”).

Enclosed with this Information Circular and the attached Notice of Meeting is a form of proxy (printed on yellow paper) (a “**Form of Proxy**”) for use in connection with the Meeting.

VOTING PROXY SOLICITATION AND VOTING

Trust Units and Special Trust Units

The Fund has outstanding two types of units that entitle holders to vote at meetings of Unitholders: Trust Units (“**Trust Units**”) and Special Trust Units (“**Special Trust Units**” and collectively with Trust Units, “**Units**”). The Special Trust Units were issued to holders of exchangeable shares (collectively, the “**Exchangeable Shares**”) issued by K-Bro Linen Systems Inc. (“K-Bro”), a subsidiary of the Fund, in connection with the acquisition of K-Bro by the Fund. The Special Trust Units were issued for the sole purpose of providing voting rights at the Fund level to the holders of the Exchangeable Shares. The Trust Units and the Special Trust Units vote together as a single class on all matters. Each Trust Unit and Special Trust Unit outstanding on the Record Date (as defined below) is entitled to one vote.

Registered Unitholders

A registered Unitholder (a “**Registered Unitholder**”) is a Unitholder who holds Units in his, her of its own name (that is, not in the name of, or through, an intermediary such as a securities broker, dealer, bank, or trust company (an “**Intermediary**”). A Registered Unitholder may attend the Meeting and cast one vote for each Unit registered in the name of such Registered Unitholder on any and all resolutions put before the Meeting. If such Registered Unitholder does not wish to vote for any matter proposed at the Meeting, he, she or it may withhold their vote from, or vote their Units against, any resolution at the Meeting.

A Registered Unitholder who is unable to attend the Meeting, or does not wish to personally cast his, her or its votes, may authorize another person at the Meeting to vote on his, her or its behalf. This is called voting by proxy. See “Appointment and Revocation of Proxies” below for information concerning the process for voting by proxy.

Non-Registered Unitholders

Information set forth in this section is very important to persons who hold Units otherwise than in their own names. A non-registered Unitholder (a “**Beneficial Holder**”) is a Unitholder who holds his or her Units through an Intermediary. Such Intermediary is the registered holder of the Beneficial Holder’s Units and is the entity legally entitled to vote these Units at the Meeting. Units that are listed in an account statement provided to a Unitholder by a broker are probably not registered in the Unitholder’s own name on the records of the Fund; such Units are more likely registered in the name of the Unitholder’s broker or an agent of the broker. Only proxies deposited by Registered Unitholders can be recognized and acted upon at the Meeting.

In order for a Beneficial Holder to vote his, her or its Units at the Meeting, they must carefully follow the procedures and instructions received from the Intermediary. Applicable regulatory policy in Canada requires Intermediaries to seek voting instructions from Beneficial Holders in advance of Unitholders’ meetings. Instead of completing the Form of Proxy provided to Registered Unitholders, Beneficial Holders will be asked to complete and deliver a different form to their respective Intermediaries. This form will instruct the Intermediary how to vote on behalf of the Beneficial Holder.

Most brokers now delegate responsibility for obtaining instructions from Beneficial Holders to ADP Investor Communications (“ADP”). ADP typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Holders and asks Beneficial Holders to return the forms to ADP. ADP then tabulates the results of all instructions received and provides appropriate instructions representing the voting of Units to be represented at the Meeting. A Beneficial Holder receiving an ADP voting instruction form cannot use that voting instruction form to vote Units directly at the Meeting. The voting instruction form must be returned to ADP well in advance of the Meeting in order to have the Units voted.

Although Beneficial Holders may not be recognized directly at the Meeting for the purposes of voting Units registered in the name of an Intermediary, a Beneficial Holder may attend at the Meeting as proxyholder for the registered holder (i.e., the Intermediary) and vote their Units in that capacity. Beneficial Holders who wish to attend the Meeting and indirectly vote their own Units as proxyholder for the registered holder should enter their own names in the blank space on the voting instruction form provided to them and return the same to their Intermediary in accordance with the instructions provided by such Intermediary well in advance of the Meeting.

Solicitation of Proxies

The solicitation of proxies for the Meeting will be made on behalf of the Fund primarily by mail, but proxies may also be solicited personally or by telephone. The cost of the solicitation will be borne by the Fund. The information contained herein is given as at May 15, 2006, except where otherwise noted.

Appointment and Revocation of Proxies

The Form of Proxy enclosed with this Information Circular is a form of proxy that registered Unitholders may use to authorize another person to vote on their behalf at the Meeting. The persons named in the Form of Proxy are Trustees and/or officers of K-Bro. **A Unitholder who wishes to appoint some other person to represent him, her or it at the Meeting may do so by crossing out the names of Trustees and/or officers of K-Bro pre-printed on the enclosed Form of Proxy and inserting such other person’s name in the blank space provided in the Form of Proxy. Such other person need not be a Unitholder of the Fund.**

To be valid, proxies must be deposited at the offices of Proxy Department, CIBC Mellon Trust Company, 200 Queens Quay East, Unit 6, Toronto, Ontario, M5A 4K9 or by fax to (416) 368-2502, at any time up to and including 2:00 p.m. (Toronto time) on June 9, 2006. If the Meeting is adjourned, proxies must be deposited not later than 48 hours (excluding Saturdays, Sundays and statutory holidays) preceding the time of any reconvened meeting at which the proxy is to be used.

A Unitholder who has given a proxy may revoke the proxy: (a) by completing and signing another Form of Proxy bearing a later date and depositing it as aforesaid; (b) by depositing an instrument in writing executed by the Unitholder or by his or her attorney authorized in writing or, if the Unitholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, at Proxy Department, CIBC Mellon Trust Company, 200 Queens Quay East, Unit 6, Toronto, Ontario, M5A 4K9 or by fax to (416) 368-2502 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (b) in any other manner permitted by law.

Voting of Proxies

The persons named in the accompanying Form of Proxy will vote Units in respect of which they are appointed, on any ballot that may be called for, in accordance with the instructions of the Unitholder as indicated on the proxy. **In the absence of such specification, such Units will be voted (a) FOR the election of the four nominees to the Board of Trustees listed under the heading “Matters to be Considered at the Meeting – Election of Trustees”, and (b) FOR the appointment of PricewaterhouseCoopers LLP as auditors of the Fund.**

The persons appointed under the Form of Proxy are conferred with discretionary authority with respect to amendments to or variations of matters identified in the Form of Proxy and Notice of Meeting and with respect to other matters that may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting, it is the intention of the persons designated in the enclosed Form of Proxy to vote in accordance with their best judgment on such matter of business.

At the time of printing this Information Circular, the Trustees knew of no such amendments, variations or other matter.

QUORUM

For the Meeting, two persons present in person or by proxy and representing in the aggregate at least 10% of the votes attached to all outstanding Units will constitute a quorum. If a quorum is not present within one-half hour after the time fixed for the holding of the Meeting, the Meeting will stand adjourned to a day not less than fourteen days later and to a place and time as chosen by the Chair of the Meeting, and if at such adjourned meeting a quorum is not present, the holders of Units present either in person or by proxy shall be deemed to constitute a quorum.

VOTING UNITS AND PRINCIPAL HOLDERS THEREOF

The Fund is authorized to issue an unlimited number of Trust Units and Special Trust Units. As of the date of this Information Circular, there were 5,423,862 Trust Units and 72,411 Special Trust Units outstanding.

At the Meeting, each Unitholder of record at the close of business on May 12, 2006, the record date established for the notice of the Meeting (the “**Record Date**”), will be entitled to one vote for each Unit held on all matters proposed to come before the Meeting, even though they may have since that date disposed of their Units, and, except as otherwise determined from time to time by Trustees, no Unitholder becoming such after the Record Date will be entitled to receive notice of and vote at such Meeting or any adjournment thereof or to receive such distribution or to be treated as a Unitholder of record for purposes of such other action.

To the knowledge of the Trustees, no person or company beneficially owns, directly, or indirectly, or exercises control or direction over voting securities carrying more than 10% of the voting rights attached to the issued and outstanding Units other than as disclosed below under “Matters to be Considered at the Meeting – Election of Trustees”.

MATTERS TO BE CONSIDERED AT THE MEETING

Election of Trustees

The Fund is required to have a minimum of three and a maximum of seven Trustees. The names of the current Trustees are set out below. The number of Trustees is determined from time to time by the resolution of the Trustees. The number of Trustees to be elected at the Meeting has been fixed at four. The present term of office of each Trustee will expire immediately prior to the election of Trustees at the Meeting.

The persons named in the enclosed Form of Proxy, if not expressly directed to the contrary in such Form of Proxy, intend to vote for the election, as Trustees, of the proposed nominees whose names are set out below. It is not contemplated that any of the proposed nominees will be unable to serve as a Trustee but, if that should occur for any reason prior to the Meeting, the persons named in the enclosed Form of Proxy reserve the right to vote for another nominee at their discretion. Each Trustee elected will hold office until the next annual meeting or until his or her successor is elected or appointed.

The following table sets forth the names of, and certain information relating to, the persons proposed to be nominated for election as Trustees. Biographies for each Trustee, including a summary of each Trustee’s principal occupation and employment within the five preceding years, and their province or state and country of residence are set out at pages 27 and 28 of the Fund’s annual information form (“**AIF**”) dated March 24, 2006 and such information is incorporated by reference herein. The AIF can be found under the Fund’s profile at www.sedar.com. Upon request, the Fund will promptly provide a copy of the AIF free of charge to a Unitholder.

Other compensation on an annualized basis would have been \$27,800, \$11,900, \$12,100, \$21,500, and \$17,700 for each of Ms. McCurdy and Messrs. Thomson, Curtis, Ostrzyzek and Graham, respectively.
- (2) Bonus amounts and LTIP payouts are those accrued at December 31, 2005 for calendar year 2005 performance, but paid or awarded in 2006. Bonus amounts accrued at December 31, 2005 but as yet unpaid for Messrs. Curtis, Ostrzyzek and Graham total \$121,800.
- (3) Includes all perquisites and other personal benefits, securities or property where the aggregate amount of such compensation is greater than \$50,000 or 10% of total salary and bonus.

Long-Term Incentive Plan

The officers and key employees of K-Bro are eligible to participate in K-Bro's long-term incentive plan ("LTIP"). The purpose of the LTIP is to provide eligible participants with compensation opportunities that will enhance K-Bro's ability to attract, retain and motivate key personnel and reward officers and key employees for significant performance that results in the Fund exceeding its distributable cash per Trust Unit targets. Pursuant to the LTIP, K-Bro will set aside a pool of funds based upon the amount, if any, by which the Fund's per Trust Unit distributable cash (as measured on a fully diluted basis, assuming the exchange of all Exchangeable Shares for Trust Units) exceeds certain defined per Trust Unit distributable cash targets. The LTIP trustee will then purchase Trust Units in the open market with this pool of funds and will hold such Trust Units until such time as ownership vests to each participant. One-quarter of these Trust Units will vest immediately and the remaining three-quarters will vest on the

second anniversary following grant of the awards. LTIP participants will be entitled to receive distributions on all Trust Units held for their account prior to the applicable vesting date. In most circumstances, unvested Trust Units held by the LTIP trustee for an LTIP participant will be forfeited if the participant resigns or is terminated for cause prior to the applicable vesting date, and those Trust Units will be sold and the proceeds returned to K-Bro. The LTIP is administered by the Compensation, Nominating and Corporate Governance Committee of K-Bro.

The Compensation, Nominating and Corporate Governance Committee will have the power to, among other things: (i) determine those individuals who will participate in the LTIP; (ii) determine the level of participation of each participant; and (iii) the time or times when ownership of the Trust Units will vest for each participant.

For 2005, the LTIP provides for awards that may be earned based on the amount by which distributable cash exceeds a base distributable amount of \$1.05 per Trust Unit per annum. The percentage amount of that excess that forms the LTIP incentive pool will be determined in accordance with the table below:

Percentage by which Distributable Cash per Trust Unit Exceeds Base Threshold⁽¹⁾	Maximum Value of Proportion of Excess Distributable Cash Available for LTIP Payments
5% or less	10%
over 5% to 10%	15% of any excess over 5% to 10%
greater than 10%	20% of any excess over 10%

Note:

(1) Annualized for fiscal periods of less than 12 months.

The base distributable amount will be subject to adjustment by the Compensation, Nominating and Corporate Governance Committee of the Board of Directors of K-Bro from time to time.

Employment Contracts

Ms. McCurdy and Messrs. Curtis and Ostrzyzek entered into employment agreements with K-Bro effective on February 3, 2005. Each of these employment agreements is for an indefinite term and provides that the executive will be entitled to a compensation package including an annual base salary, incentives and benefits. The initial base salary provided for Ms. McCurdy and Messrs. Curtis and Ostrzyzek is \$230,000, \$153,000 and \$120,000, respectively. Subject to certain restrictions, Ms. McCurdy and Messrs. Curtis and Ostrzyzek are also eligible to participate in the LTIP. Each of the employment agreements provides for a severance payment equal to 12 months' of the relevant executive's annual base salary if his employment is terminated by K-Bro without cause prior to the end of its term. Additionally, Ms. McCurdy and Messrs. Curtis and Ostrzyzek are bound by certain restrictive covenants in favour of K-Bro, including a covenant not to compete with K-Bro for a period of 12 months in any province or state where K-Bro conducts its business or has bona fide plans to commence business or is considering plans to commence business

EXECUTIVE COMPENSATION REPORT

Composition of the Compensation, Nominating and Corporate Governance Committee

The Compensation, Nominating and Corporate Governance Committee has the responsibility to review and make recommendations to the Trustees concerning the compensation of the executive officers of K-Bro, including the Chief Executive Officer, within, where applicable, the constraints of the agreements described under "Executive Compensation – Employment Contracts." The Compensation, Nominating and Corporate Governance Committee is comprised of three members: Messrs. Hills (Chair), Matyas and Smith. Mr. Hills was appointed to the Compensation, Nominating and Corporate Governance Committee on March 2, 2006 following the resignation of Mr. Clement from the Board of Trustees upon being named to Federal Cabinet as Minister of Health. No member of the Compensation, Nominating and Corporate Governance Committee is an officer, employee or former executive officer or employee of K-Bro or any of its affiliates since March 30, 2004.

Report on Executive Compensation by the Compensation, Nominating and Corporate Governance Committee

K-Bro's compensation policy with respect to executive officers is designed to provide both short- and long-term rewards that are consistent with individual and Fund performance. The Compensation, Nominating and Corporate Governance Committee's goal is to provide sufficient compensation opportunities for executive officers in order to attract, retain and motivate the best possible management team. Compensation for executive officers, including the Chief Executive Officer and Chief Financial Officer (with the exception of item (ii) below that does not apply to the Chief Financial Officer), consists of:

- (i) a base salary;
- (ii) annual and special bonus incentives; and
- (iii) long-term compensation in the form of participation in the LTIP.

As set out under "Executive Compensation - Employment Agreements" above, the Chief Executive Officer of K-Bro has a written employment agreement. The Board of K-Bro approved this agreement in connection with the initial public offering of the Fund on February 3, 2005.

The Compensation, Nominating and Corporate Governance Committee determines each executive officer's base salary with reference to relevant industry norms, experience, past performance and level of responsibility. The Committee reviews salary levels periodically and may make adjustments, if warranted, as a result of salary increase trends in the marketplace, competitive positioning and an increase in responsibilities assumed by an executive. Annual cash bonus incentives are based upon the Fund's ability to meet certain financial targets and each executive individual performance. The Committee sets performance objectives and target levels on an annual basis and assesses executives against these targets in determining their overall compensation. From time to time, the Board of Trustees may declare an additional cash bonus in favour of one or more executive officers in circumstances where it is determined that the executive in question has made an exceptional contribution to the performance of the Fund in a particular year.

The Compensation, Nominating and Corporate Governance Committee also considers long-term incentives to be an important component of executive compensation and provides for participation by certain executives in the LTIP. The objective of making grants under the LTIP is to encourage executive officers to acquire an ownership interest in the Fund over a period of time, thus better aligning the interests of executive officers with the interests of Unitholders.

Compensation for the Chief Executive Officer for the period ended December 31, 2005 is set out in an employment agreement, as described above under "Executive Compensation – Employment Contracts". Based upon meeting or exceeding individual and corporate targets, the bonus as set out under "Executive Compensation – Compensation of Executive Officers" was paid.

To the knowledge of the Trustees, no person who has been a Trustee or a director or executive officer of K-Bro since the closing of the initial public offering of the Fund on February 3, 2005, or any proposed Trustee, and no associate or affiliate of any such Trustee, director or executive officer or proposed Trustee, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any transaction which has or would materially affect the Fund or any of its subsidiaries.

STATEMENT OF GOVERNANCE PRACTICES

The following describes the Fund's governance practices with reference to National Policy 58-201 — *Corporate Governance Guidelines* and National Instrument 58-101 — *Disclosure of Corporate Governance Practices* (collectively, the "**Governance Guidelines**"), which are initiatives of the Canadian Securities Administrators.

The Board of Trustees and management of K-Bro recognize that effective corporate governance practices are fundamental to the long-term success of the Fund. Sound corporate governance contributes to Unitholder value through increased confidence. In light of the Governance Guidelines and best practice standards in Canada, the Board of Trustees and management have implemented a sophisticated set of governance policies and procedures and is committed to maintaining a high standard of corporate governance.

Composition of the Board of Trustees

The Board of Trustees is currently composed of four Trustees. Assuming that the Unitholders of the Fund vote in favour of the Trustees' nominees, the number of members of the Board of Trustees will remain at four. Ms. McCurdy is not independent as she is the Chief Executive Officer of K-Bro. The Board of Trustees functions independently of the non-independent Trustee by holding *in camera* sessions without the non-independent Trustee present. For fiscal 2006, *in camera* sessions will be held with only the independent Trustees present at all scheduled Board of Trustee and Committee meetings and at other times throughout the year as required. In fiscal 2005, the Trustees held nil *in camera* sessions as the Trustees determined that all issues had been openly and candidly discussed at their meetings and that separate *in camera* sessions were unnecessary.

The following table sets forth the number of Board of Trustees and Committee meetings held and attendance by Trustees for the period ended December 31, 2005:

<u>Trustee</u>	<u>Trustee Meetings Attended</u>	<u>Committee Meetings Attended</u>
Ross Smith	6 of 6	5 of 5
Matthew Hills	6 of 6	2 of 2
Steven Matyas	6 of 6	5 of 5
Linda McCurdy	6 of 6	0 of 0
Tony Clement⁽¹⁾	6 of 6	5 of 5

Note:

- (1) Mr. Clement resigned as a Trustee and Director effective February 6, 2006 as a result of his appointment to Federal Cabinet as Minister of Health.

Certain of the Trustees also serve as directors and/or trustees on boards of other reporting issuers. Please see “Matters to be Considered at the Meeting – Election of Trustees”.

Board Chair

The Board Chair is a duly elected member of the Board of Trustees and is appointed by the Board of Trustees each year for a one-year term, with such appointment being (except when a vacancy is being filled) at the first meeting of the Board of Trustees following the annual general meeting of Unitholders. The Board Chair is independent as such term is defined in the Governance Guidelines. The current Board of Trustees Chair is Mr. Smith.

The responsibilities of the Board Chair are set out in a detailed position description that affirms that the Board Chair is expected to provide leadership to the Trustees in discharging their mandate as set out in the Charter of the Board of Trustees. Among other things, the Board Chair generally oversees meetings of the Board of Trustees and presides over meetings of the Unitholders. The Board Chair is the liaison between the Trustees and management and is responsible for promoting the proper flow of information to the Trustees to keep them fully apprised of all material matters.

Board Mandate

The Board of Trustees adopted a written mandate (the “**Mandate of the Board of Trustees**”) to confirm and enhance the Board of Trustees’ ongoing duties and responsibility for stewardship of the Fund. **A copy of the Mandate of the Board of Trustees is attached to this Circular as Appendix “A”.** The Board of Trustees is responsible for supervising the activities and managing the investments and affairs of the Fund. The Board of Trustees generally discharges its responsibilities either directly or through the Audit Committee, the Compensation, Nominating and Corporate Governance Committee and the Disclosure Committee. Specific responsibilities of the Board of Trustees set out in the Mandate of the Board of Trustees include:

- **Strategic Planning** – including the review and approval on at least an annual basis of a strategic plan that takes into account, among other things, the opportunities and risks of the Fund’s business and investments;
- **Risk Management** – including the identification of the Fund’s principal business risks and the implementation of appropriate systems to effectively monitor and manage such risks;
- **Oversight of Management** – including meeting regularly with management to receive reports respecting the performance of the Fund, new and proposed initiatives, the Fund’s business and investments, management concerns and any areas of concern involving the Fund;
- **Communications and Disclosure** – adopting a communications policy which enables the Fund to communicate effectively and addresses how the Fund interacts with all of its stakeholders, including analysts and the public, and contains measures for the Fund to avoid selective disclosure;

- **Review of Audit Committee** – maintaining a standing Audit Committee, reviewing and reassessing the adequacy of the terms of reference of the Audit Committee and receiving recommendations of the Audit Committee respecting, and reviewing and approving, the audited, interim and any other publicly announced financial information of the Fund;
- **Governance** – developing the Fund’s approach to governance, including developing a set of governance principles and guidelines that are specifically applicable to the Fund and maintaining a standing Compensation, Nominating and Governance Committee; and
- **Assessment of the Board** – assessing the effectiveness of the board as a whole, the committees of the board and the contribution of individual Trustees.

Position Descriptions

The Board of Trustees has developed and approved detailed position descriptions for the Chair of the Board of Trustees and the Chief Executive Officer of K-Bro. The Chairs of the Audit Committee and the Compensation, Nominating and Corporate Governance Committee are appointed pursuant to the respective charters for those committees and are responsible for ensuring the responsibilities set out in those charters are fulfilled. The Compensation, Nominating and Corporate Governance Committee is responsible for reviewing and making recommendations to the Board of Trustees regarding the position descriptions for the Chair of the Board of Trustees, the Chair of each Committee and the Chief Executive Officer.

The Chair of the Board of Trustees is responsible for, among other things, overseeing the Board of Trustees’ discharge of its duties, governing the conduct of the Board of Trustees, assisting Committees and acting as a liaison between the Board of Trustees and management. Chairs of Committees of the Board of Trustees are responsible for, among other things, scheduling, setting agendas for and presiding over committee meetings and acting as a liaison between the respective Committee and the Board of Trustees. The Chief Executive Officer is responsible for, among other things, overseeing the day-to-day operation of the business of K-Bro in accordance with K-Bro’s strategic plan and annual budget.

Orientation and Continuing Education

All new Trustees receive a comprehensive orientation as soon as practical after their appointment. They are briefed on the role of the Board of Trustees, its Committees, the contribution individual Trustees are expected to make, and on the nature and operation of the Fund and K-Bro, including visits to K-Bro facilities. This is consistent with the Governance Guidelines and enables a new Trustee to better understand the Fund and his or her role and responsibilities.

Trustees also participate in a continuing education program that, among other things, assists Trustees in maintaining or enhancing their skills and abilities as Trustees and to ensure that their knowledge and understanding of the Fund and K-Bro remains current.

Code of Business Conduct and Ethics

The Fund has adopted a Code of Business Conduct and Ethics (the “**Code**”) that sets out the principles that should guide the behaviour of Trustees and directors, officers and employees of K-Bro. The Code address the following issues:

- (a) conflicts of interest, including transactions and agreements in respect of which a Trustee, director or executive officer has a material interest;
- (b) protection and proper use of corporate assets and opportunities;
- (c) confidentiality of corporate information;
- (d) fair dealing with the issuer’s security holders, customers, suppliers, competitors and employees;

- (e) compliance with laws, rules and regulations; and
- (f) reporting of any illegal or unethical behaviour.

Monitoring of accounting, internal controls and auditing matters, as well as violations of the law, the Code and other policies or directives of the Fund and K-Bro, occurs through the reporting of complaints and concerns using the reporting methods provided for in the Fund's Whistleblowing Policy. Any person can report complaints or concerns, which may be on an anonymous basis, by contacting the Chair of the Audit Committee. Confidentiality of complaints received by the Chairman will be maintained to the fullest extent possible, consistent with the need to conduct an appropriate review. When possible, the Chairman will acknowledge receipt of a complaint, although it is not the intention to communicate to the person making the complaint the status of its review or resolution. Upon receipt of a complaint, the Chairman will determine whether the complaint relates to a questionable accounting or auditing matter. Any complaints that do will be immediately brought to the attention of, and reviewed under the direction of, the Audit Committee of the Fund. Prompt and appropriate corrective action will be taken when and as warranted in the judgement of the Audit Committee. The Chairman will maintain a log of all complaints that are received, tracking their receipt, investigation and resolution.

The Board of Trustees (or any Committee to whom that authority has been delegated) can grant waivers of compliance with the Code for the benefit of Trustees, directors or senior officers in appropriate circumstances. No such waiver has been granted since the adoption of the Code and consequently, the Fund filed no material change report during the last fiscal year pertaining to any conduct of a Trustee, director or executive officer that constitutes a departure from the Code.

A Trustee or director or senior officer of K-Bro must disclose, in writing to the Fund or K-Bro, as applicable, the nature and extent of any interest they have in an actual or proposed material contract or material transaction. A Trustee or director or senior officer of K-Bro required to make such disclosures shall not vote on any resolution to approve the contract or transaction unless it relates primarily to their remuneration as a Trustee or director, officer, employee or agent of the Fund or K-Bro, as applicable, or is for indemnity or insurance.

In addition to the Code, the Mandate of the Board of Trustees provides that the Board of Trustees is specifically responsible for satisfying itself as to the integrity of the Chief Executive Officer and senior officers of K-Bro and that the Chief Executive Officer and other senior officers create a culture of integrity throughout the organization.

Nomination of Trustees and Determination of Compensation

The Compensation, Nominating and Corporate Governance Committee is comprised of three independent Trustees as such term is defined in the Governance Guidelines. All members attended the two meetings of the Committee held during the last fiscal year. The members of the Committee meet *in camera*, to the extent practicable, at each of its meetings without any members of management present, unless waived at a particular meeting by its members. The Committee has a formal written charter that sets out its responsibilities and duties. While the board of trustees is called upon to “manage” the business of the Fund, this is done by proxy through the appointed executives of the Fund’s subsidiaries. The board of trustees is responsible for the on-going strategic planning process of the Fund, approves the goals of the business and the strategies and policies within which it is managed, and then steps back and evaluates management performance. Reciprocally, management keeps the board of trustees fully informed of the progress of the Fund and its subsidiaries towards the achievement of their established goals and of all material deviations from the goals or objectives and policies established by the board of trustees in a timely and candid manner.

It is recognized that every trustee in exercising powers and discharging duties must act honestly and in good faith with a view to the best interest of the Fund. Trustees must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In this regard, they will comply with their duties of honesty, loyalty, care, diligence, skill and prudence.

In addition, trustees are expected to carry out their duties in accordance with policies adopted by the board of trustees from time to time, the current policy being annexed hereto as Appendix “A”.

Persons designated to receive such information shall be required to provide a summary of the feedback to the trustees on a semi-annual basis or at such other more frequent intervals as they see fit.

Trustees will be expected to ask questions relating to batched items in advance of the meeting. Telephone Board Meetings

Pursuant to the Declaration of Trust, a trustee may participate in a meeting of the trustees or in a committee meeting by means of telephone or such other communications facilities as permit all persons participating in the meeting to hear each other and a trustee participating in such a meeting by such means is deemed to be present at the meeting.

While it is the intent of the board of trustees to follow an agreed meeting schedule as closely as possible, it is felt that, from time to time, with respect to time sensitive matters telephone board meetings may be required to be called in order for trustees to be in a position to better fulfill their legal obligations. Alternatively, management may request the trustees to approve certain matters by unanimous consent.
